

Lot 2 Andrews St. Street, Kurrimine Beach

HUGE PRICE REDUCTION

This 3 bedroom Ark Home is certainly a surprise. What appears to be a compact home from the outside reveals a real sense of space on the inside. This 4 bedroom Ark design has been factory modified by the owners to open up the living area in place of one bedroom. This provides a large open plan dining, lounge, kitchen area in the hub of the house. The high raked ceilings and choice of light interior colours create a feeling of cool uncluttered comfort. The master bedroom featuring a walk through robe to a generous ensuite is situated at the opposite end of the home to the other two bedrooms with built-ins and main toilet separate bathroom at the the other. The full length front 2.4m wide deck makes for great Al Fresco dining and keeps the house cool. Hardly any need for the cieling fans and split system air conditioning throughout the house. The solar hot water, Bio Septic System, 6x7.5 metre Shed just add to the "completeness " of this beach house. All this on a 908 Sq.m. with extra crown land on 2 boundaries creates a sense of country spaciousness. The gardens are low maintenance or perhaps just waiting to be created by you. This home certainly surprises, Call Greg on 0408455619
