BEACHSIDE BEAUT!

This beautiful beachside house is perfectly positioned not only metres from the beach but directly across from the park and nearby playground, stinger net and close to the beach boat ramp. With the addition of the Village's new beach side walking track it is an easy almost level walk to the well known local waterhole King Reef Resort. The entire house has been recently renovated, all the details have been thought of and is now ready for new Owners to take up residence , keep as a holiday house or share as a holiday rental.

The house is fully air-conditioned and has fans throughout. The kitchen, dining and lounge area is open plan. The three bedrooms are generous in size. The main bedroom features a combined large dressing room and en suite.

There is a double garage to the rear of the property and a tandem carport along the northern side of the house.

The yard is fully fenced.

There are two undercover outdoor areas for entertaining. The large front porch is ideal for taking full advantage of the ocean views directly across the park. Whilst the large undercover paved patio to the rear offers the perfect spot for a cool morning or warm afternoon cuppa.
