## REEF & BEACH HOLIDAY RETREAT

Something Special.....This beautifully appointed Holiday Home in a prime location is back on the Holiday rental Market.

Reef and Beach House has lovingly been refurbished and the owners have decided to share. This house will become super popular the more people who find it so bookings in advance are essential.

It doesn't matter if you are a fisherman and the reef is the attraction or you are just a beach lover both are just at the door. Kurrimine Beach is within a 30-meter walk across the lawn and King Reef itself is less than a 1 km canoe or a boat trip to bountiful fishing and painted cray collecting grounds. A few times a year the tide is so low, holiday-makers and locals take a walk to the reef (please seek local advice and check tide times and heights carefully). The outer Great Barrier Reef is about an hour run so why not bring the boat! There is plenty of off-street parking available. A Charter Boat for Fishing or Island Hopping is now operating out of Kurrimine.

Reef & Beach has been refurbished with families in mind but with the upstairs-downstairs layout, it is ideal for 2 couples to get away but still enjoy their own space. There are stunning waterfront views from both upstairs and downstairs. If it is a smaller group you may choose to use one floor or the other to make clean up at home time easier.

It has 1 king and 1 queen bedroom, bathroom, kitchen, living and outdoor deck upstairs while downstairs features 2 bedrooms (1 Queen room, 2 Queen room and 2x2 single
